>INVESTIGATION/>BROKAW: The CIA has asked the Federal  
>CIA>Communications Commission to punish ABC News for a story  
it broadcast about the intelligence agency. A part of  
that story could not be confirmed, and ABC acknowledged  
that. Nonetheless, the CIA wanted the FCC to order a full  
retraction and to consider this case when considering  
licenses for stations owned by ABC. Well today, the FCC  
staff turned down the request of the CIA.
